BRUNSWICK®

Q3 2026 Earnings Summary —

"Most of the key drivers of current and future growth remain largely within our control, even as broader macro and trade dynamics create some uncertainty."

David Foulkes — Brunswick Chairman & CEO

$570.5M

Engine P&A
$380.9M

Navico Group
$197.7M

Boat
$394.4M

"BC is really good at making boats, particularly premium ones, and is leaning into the upper end of the market with its upcoming cadence of new product releases. This focus enables some decoupling from industry retail demand trends."

Tristan Thomas-Martin
BMO Capital Markets
