Ladies and Gentlemen:

Brunswick Corporation, a Delaware corporation (the "Company"), confirms its agreement with Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch"), J.P. Morgan Securities Inc. ("JPMorgan") and each of the other underwriters named in Schedule I attached hereto (collectively, the "Underwriters," which term shall also include any underwriter substituted as hereinafter provided in Section 10 hereof), for whom Merrill Lynch and JPMorgan are acting as representatives (in such capacity, the "Representatives"), with respect to the issue and sale by the Company and the purchase by the Underwriters, acting severally and not jointly, of the respective principal amounts set forth in said Schedule I of \$250,000,000 aggregate principal amount of the Company's Floating Rate Notes due 2009 (the "Securities"). The Securities are to be issued pursuant to an indenture, dated as of March 15, 1987 (the "Indenture"), between the Company and BNY Midwest Trust Company, as successor to Harris Trust and Savings Bank, as trustee (the "Trustee"). The term "Indenture," as used herein, includes the Officers' Certificate (as defined in the Indenture) establishing the form and terms of the Securities pursuant to Sections 2.01 and 2.03 of the Indenture.

The Company understands that the Underwriters propose to make a public offering of the Securities as soon as the Representatives deem advisable after this underwriting agreement (this "Agreement") has been executed and delivered.

The Company has filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-3 (No. 333-71344), including the related preliminary prospectus or prospectuses, covering the registration of certain of its securities, including the Securities, under the Securities Act of 1933, as amended (the "1933 Act"), and the offering thereof from time to time, in accordance with Rule 415 of the rules and regulations of the Commission under the 1933 Act (the "1933 Act Regulations"). Such registration statement has been declared effective by the Commission, and the Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"). Such registration statement, at any given time, including the amendments thereto to such time, the exhibits and any schedules thereto at such time, the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act at such time and the documents otherwise deemed to be a part thereof or included therein by the 1933 Act Regulations, is referred to herein as the "Registration Statement." The Company has also filed with the Commission a preliminary prospectus, specifically relating to the Securities, in accordance with the provisions of Rule 424(b) of the 1933 Act Regulations ("Rule 424(b)"). In accordance with Section 3(a) of this Agreement, the Company will prepare and file a final prospectus, consisting of a final prospectus supplement relating to the Securities together with the basic prospectus included in the Registration Statement at the time it was declared

effective (the “Base Prospectus”), in accordance with the provisions of Rule 424(b). Such final prospectus in the form first furnished to the Underwriters by the Company for use in connection with the offering of the Securities, including such final prospectus supplement and the Base Prospectus and all documents incorporated or deemed incorporated therein by reference pursuant to Item 12 of Form S-3 under the 1933 Act at the time of the execution of this Agreement, are collectively referred to herein as the “Prospectus.” Any information included in such final prospectus that was omitted from the Registration Statement at the time it became effective but that is deemed to be part of and included in the Registration Statement pursuant to Rule 430B of the 1933 Act Regulations (“Rule 430B”) is referred to as “Rule 430B Information.” Each prospectus used in connection with the offering of the Securities that omitted Rule 430B Information is herein called a “preliminary prospectus.”

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” in the Registration Statement, any preliminary prospectus or the Prospectus (and all other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is or is deemed to be incorporated by reference in the Registration Statement, any preliminary prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any preliminary prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934, as amended (the “1934 Act”), which is or is deemed to be incorporated by reference in the Registration Statement, such preliminary or the Prospectus, as the case may be. For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus or the Prospectus or to any amendment or supplement to any of the foregoing shall be deemed to include any copy filed with the

2

Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“EDGAR”).

SECTION 1. Representations and Warranties.

(a) The Company represents and warrants to each Underwriter as of the date hereof, the Applicable Time referred to in this Section(1)(a) and as of the Closing Time referred to in Section 2(b) hereof, and agrees with each Underwriter, as follows:

(1) At the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the 1933 Act Regulations) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the 1933 Act Regulations and at the date hereof, the Company was and is a “well-known seasoned issuer” as defined in Rule 405 of the 1933 Act Regulations (“Rule 405”), including not having been and not being an “ineligible issuer” as defined in Rule 405.

(2) The Company meets the requirements for use of Form S-3 under the 1933 Act. Each of the Registration Statement and any post-effective amendment thereto has become effective under the 1933 Act and no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with. In addition, the Indenture has been duly qualified under the 1939 Act.

At the respective times the Registration Statement and any post-effective amendments thereto became effective, at the date hereof and at the Closing Time, the Registration Statement and any amendments and supplements thereto complied and will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and the 1939 Act and the rules and regulations of the Commission under the 1939 Act (the “1939 Act Regulations”) and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and at the Closing Time, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Notwithstanding the foregoing, the representations and warranties in this subsection shall not apply to that part of the Registration Statement which shall constitute the Statement of Qualification of the Trustee on Form T-1 under the 1939 Act or to statements in or omissions from the Registration Statement, any preliminary prospectus or the Prospectus made in reliance upon and in conformity with written information furnished to the Company by the Trustee or any Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), in any preliminary prospectus or in the Prospectus (or any amendment or supplement thereto).

3

The prospectus filed as part of the Registration Statement as originally filed complied when so filed in all material respects with the 1933 Act Regulations, and the Prospectus delivered to the Underwriters for use in connection with the offering of the Securities will, at the time of such delivery, be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

As of the Applicable Time, neither (x) the Issuer General Use Free Writing Prospectus(es) (as defined below)

issued at or prior to the Applicable Time (as defined below) or the Statutory Prospectus (as defined below), all considered together (collectively, the "General Disclosure Package"), nor (y) any individual Issuer Limited Use Free Writing Prospectus, when considered together with the General Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As used in this subsection and elsewhere in this Agreement:

"Applicable Time" means 1:45 pm (Eastern time) on July 19, 2006 or such other time as agreed by the Company and the Representatives.

"Issuer Free Writing Prospectus" means any "issuer free writing prospectus," as defined in Rule 433 of the 1933 Act Regulations ("Rule 433"), relating to the Securities that (i) is required to be filed with the Commission by the Company, (ii) is a "road show that is a written communication" within the meaning of Rule 433(d)(8)(i), whether or not required to be filed with the Commission or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Company's records pursuant to Rule 433(g).

"Issuer General Use Free Writing Prospectus" means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule II hereto.

"Issuer Limited Use Free Writing Prospectus" means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

"Statutory Prospectus" as of any time means the prospectus relating to the Securities that is included in the Registration Statement immediately prior to that time, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof.

Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the issuer notified or notifies the Representatives as described in Section 3(f), did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or

the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein.

(3) The accountants who certified the financial statements and supporting schedules included in the Registration Statement are independent public accountants as required by the 1933 Act and the 1933 Act Regulations.

(4) The financial statements, together with the related notes thereto, included in the Registration Statement, the General Disclosure Package and the Prospectus present fairly the financial position of the Company and its consolidated subsidiaries as of the dates indicated and the results of their operations for the periods specified; except as otherwise stated in the Registration Statement, said financial statements have been prepared in conformity with generally accepted accounting principles applied on a consistent basis; and the supporting schedules included in the Registration Statement present fairly the information required to be stated therein. The selected financial data included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 present fairly the information shown therein and have been compiled on a basis consistent with that of the audited financial statements included in the Registration Statement.

(5) Since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package or the Prospectus, except as otherwise stated therein, (A) there has been no material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business and (B) there have been no transactions entered into by the Company or any of its subsidiaries, other than those in the ordinary course of business, which are material with respect to the Company and its subsidiaries considered as one enterprise.

(6) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware with corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and to enter into and perform its obligations under this Agreement and the Indenture; and the Company is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify would not have a material adverse effect on the condition, financial or otherwise, or the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise.

(7) Each subsidiary of the Company which is a significant subsidiary (a “Subsidiary”) as defined in Rule 405 of the 1933 Act Regulations has been duly incorporated and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify would not have a material adverse effect on the condition, financial or otherwise, or the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise; all of the issued and outstanding capital stock of each such Subsidiary has been duly authorized and validly issued, is fully paid and nonassessable and is owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity.

(8) Each of the Indenture and each supplement thereto, if any, to the date hereof has been duly authorized, executed and delivered by the Company, has been duly qualified under the 1939 Act, and, assuming due authorization, execution and delivery by the Trustee, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as enforcement thereof may be subject to (A) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors’ rights generally, and (B) general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law); and the Indenture conforms in all material respects to the description thereof contained in the Prospectus.

(9) The Securities have been duly authorized, and, when executed, authenticated, issued and delivered in the manner provided for in the Indenture and sold and paid for as provided herein, the Securities will constitute legal, valid and binding obligations of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms, except as enforcement thereof may be subject to (A) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors’ rights generally, and (B) general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law); and the Securities conform in all material respects to the description thereof contained in the Prospectus.

(10) Neither the Company nor any of the Subsidiaries is in violation of its charter or in default (and, to the knowledge of the Company, no event has occurred, and no circumstances exist, that with the passage of time or giving of notice would constitute a default) in the performance or observance of any material obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, loan agreement, note, lease or other instrument to which the Company or any of the Subsidiaries is a party or by which it or any of them may be bound, or to which any of the property or assets of the Company or any of the Subsidiaries is subject; and the execution, delivery and performance of this Agreement and the Indenture, the issuance and delivery of the Securities and the consummation of the transactions contemplated herein and therein and

compliance by the Company with its obligations hereunder and thereunder have been duly authorized by all necessary corporate action and will not conflict with or constitute a breach of, or default (or with the passage of time or giving of notice constitute a default) under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of the Subsidiaries pursuant to, any contract, indenture, mortgage, loan agreement, note, lease or other instrument to which the Company or any of the Subsidiaries is a party or by which it or any of them may be bound, or to which any of the property or assets of the Company or any of the Subsidiaries is subject, nor will such action result in any violation of the provisions of the charter or by-laws of the Company or any of the Subsidiaries or any violation of any applicable law, administrative regulation or administrative or court decree.

(11) Other than as disclosed in the Registration Statement or the Prospectus, there is no action, suit or proceeding before or by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company, threatened, against or affecting the Company or any of its Subsidiaries, which is required to be disclosed in the Registration Statement, or which might result in any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, or which might materially and adversely affect the properties or assets thereof or which might materially and adversely affect the consummation of this Agreement or the issuance of the Securities pursuant to the Indenture; all pending legal or governmental proceedings to which the Company or any subsidiary is a party or of which any of their respective property or assets is the subject which are not described in the Registration Statement, including ordinary routine litigation incidental to the business, are, considered in the aggregate, not material; and there are no contracts or documents of the Company or any of its subsidiaries which are required to be filed as exhibits to the Registration Statement by the 1933 Act or by the 1933 Act Regulations which have not been so filed.

(12) The Company and the Subsidiaries own or possess, or can acquire on reasonable terms, the patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or

confidential information, systems or procedures), trademarks, service marks and trade names (collectively, “patent and proprietary rights”) presently employed by them in connection with the business now operated by them, and neither the Company nor any of the Subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any patent and proprietary rights, or of any facts which would render any patent and proprietary rights invalid or inadequate to protect the interest of the Company or any of the Subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, singly or in the aggregate, would result in any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise.

(13) No authorization, approval or consent of any court or governmental authority or agency is necessary in connection with the offering, issuance or sale of the

7

Securities hereunder, except such as may be required under the 1933 Act, the 1933 Act Regulations, the 1939 Act, the 1939 Act Regulations or state securities laws.

(14) The Company and the Subsidiaries possess such certificates, authorities or permits issued by the appropriate state, federal or foreign regulatory agencies or bodies necessary to conduct the business now operated by them, and neither the Company nor any of the Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such certificate, authority or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would materially and adversely affect the condition, financial or otherwise, or the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise.

(15) Except as described in the Registration Statement or the Prospectus, and except as would not, singly or in the aggregate, result in any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, (A) neither the Company nor any of its subsidiaries is in violation of any federal, state, local or foreign statute, law, rule, regulation, ordinance, code, policy or rule of common law or any judicial or administrative interpretation thereof, including any judicial or administrative order, consent, decree or judgment, relating to pollution or protection of human health, the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata) or wildlife, including, without limitation, laws and regulations relating to the release or threatened release of chemicals, pollutants, contaminants, wastes, toxic substances, hazardous substances, petroleum or petroleum products, asbestos-containing materials or mold (collectively, “Hazardous Materials”) or to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials (collectively, “Environmental Laws”), (B) the Company and its subsidiaries have all permits, authorizations and approvals required under any applicable Environmental Laws and are each in compliance with their requirements, (C) there are no pending or threatened administrative, regulatory or judicial actions, suits, demands, demand letters, claims, liens, notices of noncompliance or violation, investigation or proceedings relating to any Environmental Law against the Company or any of its subsidiaries and (D) there are no events or circumstances that would reasonably be expected to form the basis of an order for clean-up or remediation, or an action, suit or proceeding by any private party or governmental body or agency, against or affecting the Company or any of its subsidiaries relating to Hazardous Materials or any Environmental Laws.

(16) This Agreement has been duly authorized, executed and delivered by the Company.

(17) The Company and the Subsidiaries have good and sufficient title to all property described or referred to in the Registration Statement as being owned by them, in each case free and clear of all liens, claims, security interests or other encumbrances, with such exceptions as are described or referred to in the Registration Statement or as are not material to the condition, financial or otherwise, or to the earnings, business

8

affairs or business prospects of the Company and its subsidiaries considered as one enterprise.

(18) The documents incorporated or deemed to be incorporated by reference in the Prospectus, at the time they were or hereafter are filed with the Commission, complied and will comply in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission under the 1934 Act (the “1934 Act Regulations”), and, when read together with the other information in the Prospectus, at the time the Registration Statement became effective, at the date of the Prospectus and at the Closing Time will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(19) There are no outstanding loans, advances (except normal advances for business expenses in the ordinary course of business) or guarantees of indebtedness by the Company to or for the benefit of any of the officers or directors of the Company or any of their respective family members, except as disclosed in the Registration Statement or the Prospectus.

(20) There is and has been no failure on the part of the Company or any of the Company’s directors or officers, in

their capacities as such, to comply in all material respects with any provision of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including Section 402 related to loans and Sections 302 and 906 related to certifications.

(21) The Company and its consolidated subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurances that (A) transactions are executed in accordance with management's general or specific authorization; (B) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain accountability for assets; (C) access to assets is permitted only in accordance with management's general or specific authorization; and (D) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as described in the Prospectus, since the end of the Company's most recent audited fiscal year, there has been (I) no material weakness in the Company's internal control over financial reporting (whether or not remediated) and (II) no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

(22) The Company has implemented the "disclosure controls and procedures" (as defined in Rules 13a-15 and 15d-15 of the 1934 Act Regulations) required in order for the principal executive officer and principal financial officer of the Company to engage in the review and evaluation process mandated by the 1934 Act Regulations. To the extent required by the 1934 Act Regulations, the Company's "disclosure controls and procedures" are reasonably designed to ensure that all information (both financial and non-financial) required to be disclosed by the Company in the reports that it files or

submits under the 1934 Act is recorded, processed, summarized and reported within the time periods specified in the 1934 Act and the 1934 Act Regulations, and that all such information is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure and to make the certifications of the principal executive officer and principal financial officer of the Company required under the 1934 Act with respect to such reports.

(b) Any certificate signed by any officer of the Company and delivered to you or to counsel for the Underwriters in connection with the offering of the Securities shall be deemed a representation and warranty by the Company to each Underwriter as to the matters covered thereby.

SECTION 2. Sale and Delivery to Underwriters; Closing. On the basis of the representations and warranties contained herein and subject to the terms and conditions herein set forth:

(a) The Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price set forth in Schedule III, the principal amount of the Securities set forth opposite the name of such Underwriter on Schedule I, plus any additional principal amount of the Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof.

(b) Payment of the purchase price for, and delivery of certificates for, the Securities shall be made at the date, time and location specified in Schedule III (unless postponed in accordance with the provisions of Section 10) or such other date, time and location as shall be agreed upon by the Representatives and the Company (such time and date of payment and delivery being herein called "Closing Time"). Unless otherwise specified in Schedule III, payment shall be made to the Company by wire transfer of immediately available funds, against delivery to the Representatives for the respective accounts of the Underwriters of certificates for the Securities to be purchased by them. Certificates for the Securities shall be in such denominations and registered in such names as the Representatives may request in writing at least two business days prior to the Closing Time. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities which it has agreed to purchase. You, individually and not as Representatives of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose money has not been received by the Closing Time but such payment shall not relieve such Underwriter from its obligations hereunder. The certificates, which may be in temporary form, for the Securities will be made available for examination and packaging by the Representatives not later than 10:00 A.M. on the last business day prior to the Closing Time.

SECTION 3. Covenants of the Company. The Company covenants with each Underwriter as follows:

(a) In connection with the offering of the Securities, the Company will prepare a prospectus supplement setting forth the principal amount of the Securities covered thereby and their terms not otherwise specified in the Indenture, the names of the Underwriters and the

principal amount of the Securities which each severally has agreed to purchase, the name of the Representatives, the price at which the Securities are to be purchased by the Underwriters from the Company, the initial public offering price, the selling concession and reallowance, if any, and such other information as the Representatives and the Company deem appropriate in connection with the offering of the Securities. The Company will promptly transmit copies of the prospectus supplement to the Commission for filing pursuant to Rule 424 of the 1933 Act Regulations in the manner and within the time period required under Rule 424(b) (without reliance on Rule 424(b)(8)) and will furnish to the Underwriters named therein as many copies of the Prospectus as the Representatives shall reasonably request.

(b) The Company will notify the Representatives promptly, and confirm the notice in writing, (i) of the effectiveness of any amendment to the Registration Statement, (ii) of the mailing or the delivery to the Commission for filing of any supplement to the Prospectus or any document to be filed pursuant to the 1934 Act which will be incorporated by reference into the Prospectus or the Registration Statement, (iii) of the receipt of any comments from the Commission with respect to the Registration Statement or Prospectus, (iv) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, (v) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any order preventing or suspending the use of any Prospectus or the initiation of any proceedings for any such purpose, or of any examination pursuant to Section 8(e) of the 1933 Act concerning the Registration Statement, (vi) if the Company becomes the subject of a proceeding under Section 8A of the 1933 Act in connection with the offering of the Securities and (vii) of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or the initiation or threatening of any proceedings for such purpose of which the Company becomes aware. The Company will use all reasonable efforts to prevent the issuance of any stop order or any order preventing or suspending the use of any Prospectus or suspending such qualification, and, in the event of the issuance of a stop order or any order preventing or suspending the use of any Prospectus or suspending such qualifications, to use all reasonable efforts to promptly obtain the lifting thereof.

(c) The Company will give the Representatives notice of its intention to file or prepare any amendment to the Registration Statement or any amendment or supplement to the Prospectus, whether pursuant to the 1933 Act, the 1934 Act or otherwise, will furnish the Representatives with copies of any such amendment or supplement within a reasonable amount of time prior to such proposed filing, and will not file any such amendment or supplement to which the Representatives or counsel for the Underwriters shall reasonably object. The Company has given the Representatives notice of any filings made pursuant to the 1934 Act or 1934 Act Regulations within 48 hours prior to the Applicable Time; the Company will give the Representatives notice of its intention to make any such filing from the Applicable Time to the Closing Time and will furnish the Representatives with copies of any such documents a reasonable amount of time prior to such proposed filing and will not file or use any such document to which the Representatives or counsel for the Underwriters shall reasonably object. The Company will prepare a final term sheet (the "Final Term Sheet") reflecting the final terms of the Securities, which shall be in the form set forth in Schedule II, and shall file such Final Term Sheet as an "issuer free writing prospectus" pursuant to Rule 433 prior to the close of business two business days after the date hereof; provided that the Company shall furnish the

Representative(s) with copies of any such Final Term Sheet a reasonable amount of time prior to such proposed filing and will not use or file any such document to which the Representative(s) or counsel to the Underwriters shall reasonably object.

(d) The Company will deliver to the Representatives without charge five signed copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and as many conformed copies as the Representatives may reasonably request and will also deliver to the Representatives a conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits) for each of the Underwriters.

(e) The Company will furnish to each Underwriter without charge, from time to time during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request for the purposes contemplated by the 1933 Act or the 1934 Act or the respective applicable rules and regulations of the Commission thereunder.

(f) If at any time when a prospectus is required by the 1933 Act to be delivered in connection with the sale of the Securities, any event shall occur as a result of which it is necessary to amend or supplement the Prospectus in order to make the Prospectus not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary to amend the Registration Statement or supplement the Prospectus to comply with the 1933 Act or the 1933 Act Regulations, the Company will forthwith amend the Registration Statement or supplement the Prospectus, as the case may be (in form and substance reasonably satisfactory to counsel for the Underwriters), so as to correct such statement or omission or effect such compliance and the Company will furnish to the Underwriters a reasonable number of copies of such amendment or supplement. The Company will use its best efforts to have such amendment declared effective as soon as practicable. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement (or any other registration statement relating to the Securities) or the Statutory Prospectus or any preliminary prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company will promptly notify the Representatives and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(g) The Company will endeavor, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions of the United States as the Representatives may designate; provided, however, that the Company shall not be obligated to qualify as a foreign corporation in any jurisdiction in which it is not so qualified or to file a general consent to service of process in any jurisdiction. In each jurisdiction in which the Securities have been so qualified, the

qualification in effect for a period of not less than one year from the effective date of the Registration Statement.

(h) The Company will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its security holders as soon as practicable an earnings statement for the purposes of, and to provide the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(i) The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the Prospectus under "Use of Proceeds."

(j) Until the business day following the Closing Time, the Company will not, without the Representatives' prior written consent, directly or indirectly, sell, offer to sell or announce the offering of, or otherwise dispose of, any debt securities of the Company covered by the Registration Statement or any other registration statement filed under the 1933 Act.

(k) The Company, during the period when the Prospectus is required to be delivered under the 1933 Act, will file all documents required to be filed with the Commission pursuant to Section 13, 14 or 15 of the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(l) The Company represents and agrees that, unless it obtains the prior consent of the Representatives, and each Underwriter represents and agrees that unless it obtains the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Securities that would constitute an "issuer free writing prospectus," as defined in Rule 433, or that would otherwise constitute a "free writing prospectus," as defined in Rule 405, required to be filed with the Commission; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Issuer General Use Free Writing Prospectuses included in Schedule II hereto. Notwithstanding the foregoing, the Underwriters may convey the information to be included in the Final Term Sheet to be prepared and filed in accordance with Section 3(c) prior to the time the Final Term Sheet is prepared. Any such free writing prospectus consented to by the Company and the Representatives is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company represents that it has treated or agrees that it will treat each Permitted Free Writing Prospectus as an "issuer free writing prospectus," as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

SECTION 4. Payment of Expenses. The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (i) the printing and filing of the Registration Statement as originally filed and of each amendment thereto, (ii) the typing, printing and distribution of this Agreement and the Indenture, (iii) the preparation, issuance and delivery of the certificates for the Securities to the Underwriters, including transfer taxes, if any, payable upon the sale, issuance and delivery to the Underwriters of the Securities, (iv) the fees and disbursements of the Company's counsel and accountants, (v) the qualification of the Securities under securities laws in accordance with the provisions of Section 3(g) hereof, including filing fees and the fees and disbursements of counsel for the Underwriters in connection therewith and

in connection with the preparation of the Blue Sky Survey, (vi) the printing and delivery to the Underwriters of copies of the Registration Statement as originally filed and of each amendment thereto, of each preliminary prospectus, any Permitted Free Writing Prospectus and of the Prospectus and any amendments or supplements thereto and any costs associated with electronic delivery of any of the foregoing by the Underwriters to investors, (vii) the printing and delivery to the Underwriters of copies of the Blue Sky Survey, (viii) the fees of rating agencies, (ix) the fees, if any, of the National Association of Securities Dealers, Inc. and (x) the fees and expenses of the Trustee, including the fees and disbursements of counsel for the Trustee, in connection with the Indenture.

If this Agreement is terminated by the Representatives in accordance with the provisions of Section 5 or Section 9(a)(i) hereof, the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for such Underwriters.

SECTION 5 Conditions of Underwriters' Obligations. The obligations of the several Underwriters hereunder are subject to the accuracy of the representations and warranties of the Company contained in Section 1 hereof or in certificates of any officer of the Company or any subsidiary of the Company delivered pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and under the Indenture, and to the following further conditions:

(a) At the Closing Time, (i) no stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission and any request on the part of the

A prospectus containing the Rule 430B Information shall have been filed with the Commission in the manner and within the time period required by Rule 424(b) (without reliance on Rule 424(b)(8)) (or a post-effective amendment providing such information shall have been filed and become effective in accordance with the requirements of Rule 430B).

(b) At the Closing Time, the Representatives shall have received:

(4) In giving their opinions required by subsections (b)(1), (b)(2) and (b)(3), respectively, of this Section, Sidley Austin LLP, Mr. Smith and Latham & Watkins LLP shall each additionally state that nothing has come to their attention that has caused them to believe that (i) the Registration Statement (except for financial statements and supporting schedules and other financial data included or incorporated by reference therein or omitted therefrom, as to which counsel need make no statement), at the time it became effective or at the date of this Agreement, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) the Prospectus (except for financial statements and supporting schedules and other financial data included or incorporated by reference therein or omitted therefrom, as to which counsel need make no statement), as of the date of the prospectus supplement included in the Prospectus or at Closing Time, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (iii) the General Disclosure Package (except for financial statements and supporting schedules and other financial data included or incorporated by reference therein or omitted therefrom, as to which counsel need make no statement), as of the Applicable Time, included an untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of circumstances under which they were made, not misleading. With respect to statements contained in the General Disclosure Package, any statement contained in any of the constituent documents shall be deemed to be modified or superseded to the extent that any information contained in subsequent constituent documents modifies or replaces such statement.

(c) At the Closing Time there shall not have been, since the date of this Agreement or since the respective dates as of which information is given in the Prospectus or the General Disclosure Package, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, and the Representatives shall have received a certificate of the President or a Vice President of the Company and of the chief financial or chief accounting officer of the Company, dated as of such Closing Time, to the effect that (i) there has been no such material adverse change, (ii) the representations and warranties in Section 1 hereof are true and correct with the same force and effect as though expressly made at and as of such Closing Time, (iii) the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to such Closing Time, and (iv) no stop order suspending the effectiveness of the Registration Statement has been issued, and no proceedings for that purpose have been initiated or are pending or are, to their knowledge, contemplated by the Commission.

in the most recent financial statements included in or incorporated by reference into the Registration Statement or, during the period from the date of the most recent financial statements included in or incorporated by reference into the Registration Statement to a specified date not more than five days prior to the date of the letters, there were any decreases, as compared with the corresponding period in the preceding year, in consolidated revenues, net income or net income per share of the Company and its subsidiaries, except in all instances for changes, increases or decreases which the Registration Statement and the Prospectus disclose have occurred or may occur; and (iv) in addition to the examination referred to in their opinions and the limited procedures referred to in clause (iii) above, they have carried out certain specified procedures, not constituting an audit, with respect to certain amounts, percentages and financial information which are included in or incorporated by reference into the Registration Statement and the Prospectus and which are specified by the Representatives, and have found such

amounts, percentages and financial information to be in agreement with the relevant accounting, financial and other records of the Company and its subsidiaries identified in such letters.

(e) At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities herein contemplated and related proceedings, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Representatives and counsel for the Underwriters.

(f) If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representatives by notice to the Company at any time at or prior to the Closing Time, and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that the provisions of Sections 1, 6, 7, and 8 hereof shall survive any such termination and remain in effect.

SECTION 6, Indemnification.

(a) Indemnification of Underwriters. The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, as such term is defined in Rule 501(b) under the 1933 Act (each an "Affiliate"), its selling agents and each person, if any who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(1) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the information incorporated by reference therein, if applicable, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(2) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or of any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that any such settlement is effected with the written consent of the Company; and

(3) against any and all expense whatsoever, as incurred (including the fees and disbursements of one counsel chosen by the Representatives), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or

proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), including the information incorporated by reference therein, if applicable, or any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto).

(b) Indemnification of Company, Directors and Officers. Each Underwriter severally and not jointly agrees to indemnify

and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto) or any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto) or such preliminary prospectus or the Prospectus (or any amendment or supplement thereto).

(c) Actions against Parties; Notification. Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 6(a) above, counsel to the indemnified parties shall be selected by Merrill Lynch and JP Morgan, and, in the case of parties indemnified pursuant to Section 6(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or

21

consent includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of such indemnified party.

SECTION 7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company, on the one hand, and the Underwriters on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total underwriting discount received by the Underwriters, in each case as set forth on the cover of the Prospectus bear to the aggregate initial public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of

22

any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and each Underwriter's Affiliates and selling agents shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the principal amount of Securities set forth opposite their respective names in Schedule I hereto and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement or contained in certificates of officers of the Company submitted pursuant hereto shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of the Company, or any person controlling the Company, or any Underwriter or its Affiliates or selling agents or any person controlling any Underwriter, its officers or directors, and (ii) delivery of and payment for the Securities.

SECTION 9. Termination.

(a) The Representatives may terminate this Agreement, by notice to the Company, at any time at or prior to the Closing Time (i) if there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Prospectus (exclusive of any supplement thereto) or the General Disclosure Package, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Representatives, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission or the New York Stock Exchange, or if trading generally on the American Stock Exchange or the New York Stock Exchange or in the Nasdaq National Market has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, the National Association of Securities Dealers, Inc. or any other governmental authority, or (iv) a material disruption has occurred in commercial banking or securities settlement or clearance services in the United

States, or (v) if a banking moratorium has been declared by federal, New York or Illinois authorities.

(b) If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party, except to the extent provided in Section 4 hereof. Notwithstanding any such termination, the provisions of Sections 1, 6, 7 and 8 hereof shall remain in effect.

SECTION 10 Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at Closing Time to purchase the Securities that it or they are obligated to purchase under this Agreement (the "Defaulted Securities"), the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(a) if the number of Defaulted Securities does not exceed 10% of the aggregate principal amount of the Securities to be purchased hereunder, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the number of Defaulted Securities exceeds 10% of the aggregate principal amount of the Securities to be purchased hereunder, this Agreement shall terminate, without any liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, either the Representatives or the Company shall have the right to postpone Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement or Prospectus or in any other documents or arrangements.

As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 10.

SECTION 11. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to the Representatives at Merrill Lynch & Co., 4 World Financial Center, New York, New York 10080, attention of Paul Nagle and J.P. Morgan Securities Inc., 270 Park Avenue New York, NY 10017, attention of High Grade Syndicate Desk - 8th floor, Fax No. (212) 834-6081; and notices to the Company shall be directed to it at 1 North Field Ct., Lake Forest, Illinois 60045, attention of Marschall I. Smith, General Counsel.

SECTION 12 No Advisory or Fiduciary Relationship. The Company acknowledges and agrees that (a) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, or its stockholders, creditors, employees or any other party, (c) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, and (e) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

SECTION 13. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

SECTION 14. Parties. This Agreement shall inure to the benefit of and be binding upon the Underwriters named herein and the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters named herein and the Company and their respective successors and the controlling persons and officers and directors referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Underwriters named herein and the Company and their respective successors, and said controlling persons and officers and directors and their heirs and legal representative(s), and for the benefit of no other person, firm or corporation. No purchaser of any of the Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

SECTION 15 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the state of New York applicable to agreements made and to be performed in said State.

SECTION 16. TIME. TIME SHALL BE OF THE ESSENCE OF THIS AGREEMENT. EXCEPT AS OTHERWISE SET FORTH HEREIN, SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME.

BRUNSWICK CORPORATION
Floating Rate Notes due 2009

Brunswick Corporation, a corporation organized and existing under the laws of the State of Delaware (hereinafter called the “Company”, which term shall include any successor corporation as defined in the Indenture referred to on the reverse side hereof), for value received, hereby promises to pay to Cede & Co., or its registered assigns, the principal sum of TWO HUNDRED FIFTY MILLION DOLLARS (\$250,000,000) on July 24, 2009 (if such date is not a Business Day, payment of principal on this Note and accrued and unpaid interest thereon will be paid on the next Business Day, provided, however, that no interest on that payment will accrue from and after July 24, 2009) at the principal corporate trust office of the Trustee, or at an office or agency maintained by the Company for such purpose, in the City of Chicago, State of Illinois, or in the Borough of Manhattan, The City and State of New York, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, and to pay interest, quarterly on January 24, April 24, July 24 and October 24 of each year (each, an “Interest Payment Date”) beginning October 24, 2006, on said principal sum in like coin or currency, at a floating rate equal to three-month USD LIBOR plus 0.65% per annum, as described below, from July 24, 2006, or from the most recent Interest Payment Date which interest has been paid or duly provided for, until payment of said principal sum has been made or duly provided for.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, subject to certain exceptions provided in the Indenture referred to herein, be paid to the person in whose name this Note is registered at the close of business on the regular record date for such interest, which shall be the Business Day preceding the Interest Payment Date.

This Note is one of a duly authorized issue of securities of the Company (herein called the “Securities”), issued and to be issued in one or more series under that certain Indenture, dated as of March 15, 1987 (herein called the “Indenture”), between the Company and BNY Midwest Trust Company, as successor trustee (herein called the

“Trustee,” which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Note is one of the series of Securities designated on the first page hereof (the Securities of such series being herein called the “Notes”).

The Notes will bear interest for each interest period at a rate determined by the calculation agent, which shall initially be BNY Midwest Trust Company until such time as the Company appoints a successor calculation agent (herein called the “Calculation Agent”). The interest rate on the Notes for a particular Interest Period (as defined below) will be a per annum rate equal to three-month USD LIBOR (as defined below) as determined on the Interest Determination Date plus 0.65% (the “Interest Rate”). The “Interest Determination Date” for an Interest Period will be the second London Business Day preceding the first day of such Interest Period. Promptly upon determination, the Calculation Agent will inform the Trustee and the Company of the Interest Rate for the next Interest Period. Absent manifest error, the determination of the Interest Rate by the Calculation Agent shall be binding and conclusive on the holders of the Notes, the Trustee and the Company. A “London Business Day” is a day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

Interest on the Notes will be paid to but excluding the relevant Interest Payment Date. Interest payments on the Notes will be made quarterly in arrears on the Interest Payment Date, beginning on October 24, 2006, to the person in whose name those Notes are registered at the close of business on the Business Day immediately preceding the Interest Payment Date. Interest on the Notes will accrue from and including July 24, 2006, to but excluding the first Interest Payment Date and then from and including the immediately preceding Interest Payment Date to which interest has been paid or duly provided for to but excluding the next Interest Payment Date or the maturity date of the Notes, as the case may be (each of these periods is referred to as an “Interest Period”). The amount of accrued interest that the Company will pay for any Interest Period shall be calculated by the Calculation Agent by multiplying the face amount of the Notes then outstanding by an Accrued Interest Factor. This Accrued Interest Factor is computed by adding the Interest Factor calculated for each day from July 24, 2006, or from the latest date interest was paid to the date for which accrued interest is being calculated. The “Interest Factor” for each day is computed by dividing the Interest Rate applicable to that date by 360. If an Interest Payment Date for the Notes falls on a day that is not a Business Day, the Interest Payment Date shall be postponed to the next succeeding Business Day unless such next succeeding Business Day would be in the following month, in which case the Interest Payment Date shall be the immediately preceding Business Day.

On any Interest Determination Date, "LIBOR" will be equal to the offered rate for deposits in U.S. dollars having an index maturity of three months, in amounts of at least \$1,000,000, as such rate appears on "Telerate Page 3750" at approximately 11:00 a.m., London time, on such Interest Determination Date. If on an Interest Determination Date

such rate does not appear on the "Telerate Page 3750" as of 11:00 a.m., London time, or if the "Telerate Page 3750" is not available on such date, the Calculation Agent will obtain such rate from Bloomberg L.P.'s page "BBAM."

If no offered rate appears on "Telerate Page 3750" or Bloomberg L.P.'s page "BBAM" on an Interest Determination Date at approximately 11:00 a.m., London time, then the Calculation Agent (after consultation with the Company) will select four major banks in the London interbank market and shall request each of their principal London offices to provide a quotation of the rate at which three-month deposits in U.S. dollars in amounts of at least \$1,000,000 are offered by it to prime banks in the London interbank market, on that date and at that time, that is representative of single transactions at that time. If at least two quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the Calculation Agent will select three major banks in New York City and shall request each of them to provide a quotation of the rate offered by them at approximately 11:00 a.m., New York City time, on the Interest Determination Date for loans in U.S. dollars to leading European banks having an index maturity of three months for the applicable interest period in an amount of at least \$1,000,000 that is representative of single transactions at that time. If three quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the rate of LIBOR for the next Interest Period will be set equal to the rate of LIBOR for the then current Interest Period.

Upon request from any holder of the Notes, the Calculation Agent will provide the Interest Rate in effect for the Notes for the current Interest Period and, if it has been determined, the Interest Rate to be in effect for the next Interest Period.

All percentages resulting from any calculation of the Interest Rate on the Notes will be rounded to the nearest one hundred-thousandth of a percentage point with five one millionths of a percentage point rounded upwards (e.g., 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655)), and all dollar amounts used in or resulting from such calculation on the Notes will be rounded to the nearest cent (with one-half cent being rounded upward). Each calculation of the Interest Rate on the Notes by the Calculation Agent will (in absence of manifest error) be final and binding on the holders of the Notes and the Company.

The Interest Rate on the Notes will in no event be higher than the maximum rate permitted by Illinois law as the same may be modified by United States law of general application.

The Company will have the right to redeem the Notes, in whole or in part, at any time after July 24, 2007, on at least 30 days' but no more than 60 days' prior written notice mailed to the registered holders of the Notes to be redeemed (the applicable date of any such redemption being referred to herein as the "Redemption Date"). The "Redemption Price" will be equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the principal amount being redeemed to, but excluding, the Redemption Date.

If money sufficient to pay the Redemption Price of and accrued interest on the Notes (or portions thereof) to be redeemed on the Redemption Date is deposited with the Trustee or another paying agent for the Notes on or before the Redemption Date, then on and after the Redemption Date, interest will cease to accrue on such Notes (or such portion thereof) called for redemption and such Notes (or portions thereof) shall be deemed not to be entitled to any benefit under the Indenture except to receive payment of the Redemption Price together with interest accrued thereon to the Redemption Date. If any Redemption Date is not a Business Day, the Company will pay the Redemption Price on the next Business Day without any interest or other payment due to the delay.

If less than all of the Notes are to be redeemed, the Company shall select in such manner as it shall deem appropriate and fair in its discretion the particular Notes to be redeemed as a whole or in part and shall thereafter promptly notify the Trustee in writing of the Notes so to be redeemed. Notes shall be redeemed only in denominations of \$1,000 or any integral multiple of \$1,000.

In case an Event of Default (as defined in the Indenture) with respect to the Notes shall have occurred and be continuing, the principal hereof may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture also provides that, prior to any declaration accelerating the maturity of the Securities of any series, the holders of a majority in aggregate principal amount of the Securities of such series at the time outstanding may on behalf of the holders of all of the Securities of such series waive any past default or Event of Default under the Indenture and its consequences except a default in the payment of principal of, or premium, if any, or interest on the Securities of such series. Any such consent or waiver by the holder of this Note (unless revoked as provided in the Indenture) shall be conclusive and binding upon such holder and upon all future holders and owners of this Note and any Security which may be issued in exchange or substitution herefor, irrespective of whether or not any notation thereof is made upon this Note or such other Securities.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than 66 2/3% in aggregate principal amount of the Securities of each series to be affected at the time outstanding, evidenced as provided in the Indenture, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of

the Indenture or of any supplemental indenture or modifying in any manner the rights of the holders of the Securities of such series; provided, however, that no such supplemental indenture shall (i) extend the fixed maturity on any Security of such series, or reduce the rate or extend the time of payment of interest thereon, or reduce the principal amount thereof or any premium thereon, or extend the time of or reduce the amount of any mandatory sinking fund payment, or make the principal of any Security or any premium or interest thereon payable in any coin or currency other than that provided for in the Securities of such series or adversely affect the rights of the Securityholders to institute suit for the enforcement of any payment of principal of or premium, if any, or interest on any Security of such series, in each case without the consent of the holder of each Security so affected, or (ii) reduce the aforesaid percentage of Securities, the holders of which are

4

required to consent to any such supplemental indenture, without the consent of the holders of all Securities of such series then outstanding.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the respective times, at the rate and in the coin or currency herein prescribed.

The Notes are issued in registered form without coupons in denominations of \$1,000 or any integral multiple of \$1,000. In the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, Notes may be exchanged for an equal aggregate principal amount of Notes of other authorized denominations at the principal executive office of the Company or, at the option of the registered holder thereof, at its office or agency maintained for such exchange in the City of Chicago, State of Illinois, or the Borough of Manhattan, The City and State of New York.

The Notes are not entitled to the benefit of, and are not subject to, any mandatory or optional sinking fund.

Except as otherwise provided in this Note, upon due presentment for registration of transfer of this Note at the principal executive offices of the Company or, at the option of the person making presentment for registration of transfer, at its office or agency maintained for such registration in the City of Chicago, State of Illinois or the Borough of Manhattan, The City and State of New York, a new Note or Notes of authorized denomination for any equal aggregate principal amount will be issued to the transferee in exchange herefor, subject to the limitations provided in the Indenture, without charge except for any tax or other governmental charge imposed in connection therewith.

The Company, the Trustee, any paying agent or Authenticating Agent and any Security Registrar may deem and treat the registered holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notation of ownership or other writing hereon) for the purpose of receiving payment hereof or on account hereof, as herein and in the Indenture provided, and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Authenticating Agent nor any Security Registrar shall be affected by any notice to the contrary. All such payments shall effectively satisfy and discharge the liability upon this Note to the extent of the sum or sums so paid.

No recourse for the payment of the principal of or interest on this Note, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Company contained in the Indenture or in any supplemental indenture, or in this Note, or because of the creation of any indebtedness represented hereby, shall be had against any incorporator, stockholder, officer or director as such, past, present or future, of the Company or any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or

5

otherwise, all such liability being, by the acceptance hereof and as a part of the consideration for the issue hereof, expressly waived and released.

This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Trustee under the Indenture referred to below.

All capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to such terms in the Indenture.

Based on the foregoing and subject to the qualifications and limitations set forth below, we are of the opinion that:

The Notes will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms (except to the extent enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other laws of general applicability relating to or affecting the enforcement of creditors' rights generally and by the effect of general principles of equity, regardless of whether considered in a proceeding in equity or at law) when the Notes shall have been duly executed by the Company and authenticated by the Trustee as provided in the Indenture, the Board Resolutions and the Finance Committee Resolutions and shall have been duly delivered to the purchasers thereof against payment of the agreed consideration therefor.
